I'm with android Kindle, and I can't do anything about it. Kindly help, Thank you! A: The Amazon Kindle is not HTML5 as far as I am aware. The Kindle is purely a black and white view. There are a few sites that will convert the Kindle to a web page. Most notably: Bookviewr.com and ReadK9.com Neither of these sites are perfect, I've used them before, but not recently. My suggestion is to create a Blogger and HTML web site and publish it as a Kindle eBook. Q: What is the difference between a TV and a Set-Top Box? I work for a cable company and as I try to figure out if I want to get a TV or get a set-top box I keep running into articles that say that, for example, a Roku will eventually do both. So I guess my questions are what is the difference between a set-top box (like a Roku) and a TV (e.g. a Roku does a lot of TV but can do anything you would normally do with a
